Cultural Analysis Proposal Drafting Activity

1. Write a statement of purpose for your Cultural Analysis Proposal.
2. Identify the cultural artifact that you intend to use.
3. Identify the social issue you intend to address.
4. What is your position on this social issue?
5. What will you propose to address your social issue?
6. Compose a draft of your executive summary (an abstract encapsulating your report's purpose and main argument, the cultural artifact that you intend to use, the social issue you intend to address, your position on that social issue, and a brief description of your proposed solution)
7. In addition complete a detailed outline, which will serve as your rough draft for this project.
